Parent / teacher  
meetings (online)**

**Thursday 24th**

**DISCOS**

**Friday 25th**

**Staff INSET day**

**"Small steps towards big dreams start today."**

We have thought a lot about new beginnings at the start of this school year. Some of us have started new classes, some of us have started new schools.

Our new school year at St Luke's has been filled with joy and laughter and hope. Children are settling well into their new routines and there is lots of exciting learning going on everywhere.

It has been lovely to meet so many of you as you return to school. Thank you for your warmth and good wishes as I start my own journey here. I feel privileged to have been called to such a good school, where staff care about every pupil and strive to help them reach their potential in all aspects of school life.

Thank you for your support with our new routines which are helping to keep everyone safe. Please remember not to park, or drop off, on the zig-zag lines outside school to allow a safe space for our children and families to cross the road.

The staff have asked me pass on their thanks for all the lovely gifts and cards they received at the end of the summer term. Your generosity is really appreciated. I know Mrs Cowey, Miss O'Neil and Mrs Fegan felt particularly blessed.

## Reminders

**Gates open 8.35am and close 8.45am**

**School Finishes Monday - Thursday at 3.20pm  
and Friday at 2.55pm**

In our worship time this week we have been thinking about new beginnings - chicks hatching, new babies, the start of a race, the start of a new school year. Reverend Matt shared the creation story with us. We finished the week thinking about our new start and all of the things that we are thankful for.

### Governor Update

There is a vacancy for a parent governor at school. We will be sending out information for this role next week.

### Uniform

Please can you ensure all items of uniform are clearly labelled and encourage your children to take all items home at the end of each day.

Clubs and teams are starting this week and next... thanks to all the staff who offer their time to run these for our children.

### Tesco Blue Tokens!

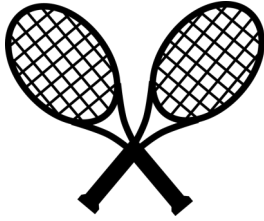

A reminder that St Luke's has been selected for the collection of Blue Tokens from July all the way to September! The campaign is for *Read Your Own Way* - to support the purchase of books in school. This will focus on non-fiction books for the library and our class sets of high quality fiction. Please spread the word and support our school!

### FOSLS

Our PTA the Friends of St Luke's School (FOSLS) is getting busy planning a range of fund-raising events for the school year. Look out for their newsletters.

The first FOSLS meeting of the year is on Wednesday 25th September at Queen's Road Social, 7.00pm. Please come along: the more the merrier!

Good luck to Matthew, Harriett, Xander and Alfie who are competing in the Formby Village Tennis Club Finals Day on Saturday.  
Play well!

We are very proud of Oliver & Nevaeh who climbed Snowdon recently with Oliver's football team and their families. They reached to summit in just two hours and raised just over £3,000 for the Owen McVeigh Foundation – a charity that creates magical memories for ill children. A fantastic achievement – well done to you both.

### Jewellery

A reminder that only small stud earrings are allowed for school and children must be able to remove these themselves for all PE lessons, including swimming. No other jewellery is allowed for school. Children may wear a watch. Thank you.

It was lovely to meet so many of you at meet the teacher, thank you for attending. School—home partnership is so important.  
Thanks for your support.
