

# Chinese New Year Story

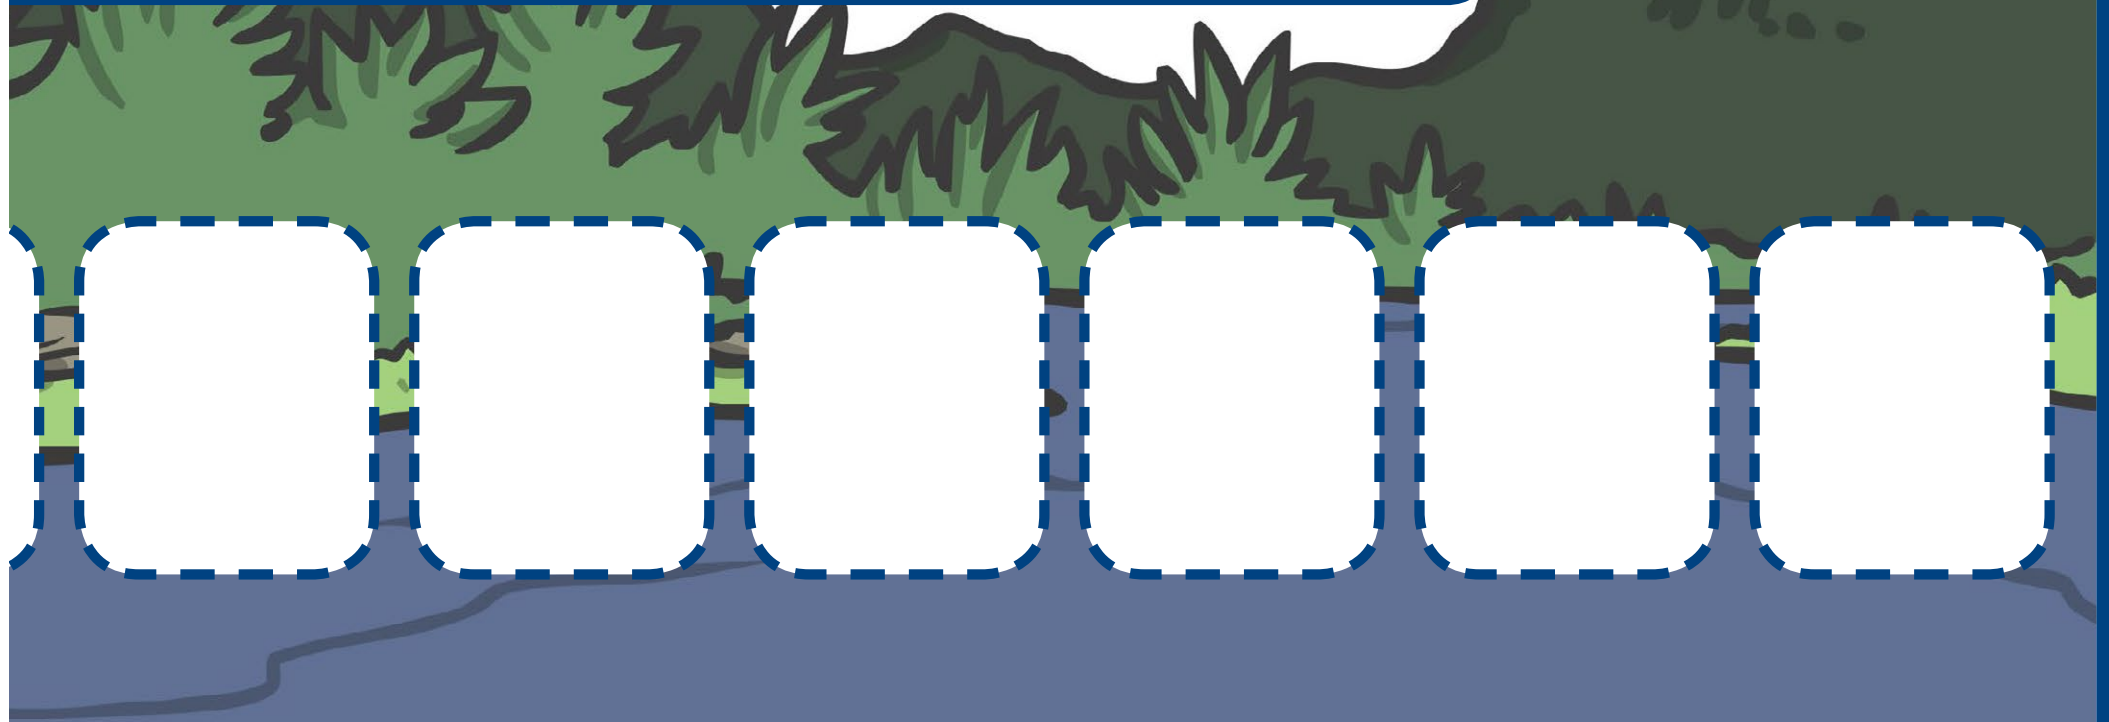

The animals are having a race! Look at the numbers on the picture.  
You can use the story of Chinese New Year to help you. Write the numbers in the boxes.

A row of six empty, rounded rectangular boxes with dashed blue borders, intended for writing numbers.

# Story – Number Sequencing

Picture cards and stick them into the correct order across the river.  
u. Which animal was the first one to reach the Emperor?

A row of six empty rounded rectangular boxes with dashed blue borders, intended for pasting picture cards. The boxes are arranged horizontally across the middle of the page, above a blue river. The background features a stylized landscape with green bushes and dark green mountains under a light blue sky with white clouds.
